How many employees work within the program area? _____

The following employees should be included in your employee count and will be invited to take the survey.

- All full-time and part-time, permanent employees
- Employees that have been working at the organization at least 30 days
- Employees working within the program guidelines

The following employees should not be included in your employee count or invited to take the survey.

- Anyone with more than 5 percent ownership in the company
- Seasonal, per diem, or temporary employees
- Independent contractors or consultants (including 1099 Real Estate Agents, where applicable)

How many total employees does your company have? _____

Q: Which employees should I include in my total employee count?

A: All employees should be included in this number. This should include partners/owners, full-time, part-time, contract, temporary, and employees working outside of the contest area. This number will not be used for contest purposes.

Additional Benefits

Does your company pay 100% of medical premiums for each employee?

No

Yes

What percentage of employee income do you match for 401k? Please include dollar-for-dollar matching. In other words, if you match 100% of employee's 4% contribution, your answer is 4%. Whereby if you match 50% of employee's contribution up to 10%, your match is 5%.

Less than 2% of an employee's compensation

3 to 4% of an employee's compensation

5 to 6% of an employee's compensation

6 to 7% of an employee's compensation

8 to 9% of an employee's compensation

10% or more of an employee's compensation

How have you improved your benefit and perk offerings over the past 12 months?

Can you give us an example of a truly unique benefit or perk that your company offers?
