Email Delivery Guide

Below is the relevant e-mail and survey link information you need regarding the upcoming employee survey. Please pass this on to your IT team to ensure email deliverability.

- 1** All email invitations will have a FROM address of: **bestplaces@quantumworkplace.com**
 - The IP addresses from which our bulk mail are delivered: **168.245.27.131, 65.61.137.49, 65.61.137.50, and 208.117.60.150**
[Please be sure to whitelist IP addresses, not just the email address.]
 - Actual email headers may appear to be coming from the subdomain **@email.quantumworkplace.com**.
 - We have reverse DNS set up and have an SPF record.
- 2** Please ensure that if you have a limit of emails that can come in from a given IP that this limit is raised or removed for the survey period; this is so we can get the initial invitation and the reminder invitations out to everyone.
